Dear MBA Student,

As you are aware that "Introduction to Cyber security and Information security" is compulsory 4 credit course for all the students who are studying with Savitribai Phule Pune University.

To enable effective learning and teaching of this subject, Center for Information & Network Security (CINS) ,Savitribai Phule Pune University has developed the course material for the same.

This material is in text and audio-visual format. The URL for the same is provided on the main page of University website or you can access it from the URL

http://unipune.ac.in/snc/CINS/cins_webfiles/cyber_Security.htm

We hope this material will be useful for teaching and learning the information security subject to all the aspirants.

Happy learning.

Prof.P.S.Sonawane
Subject In charge
